MESSAGE

The launch of Swachh Bharat Mission by the Hon'ble Prime Minister on 2nd October, 2014 has placed the issue of sanitation at the centre of the Government's development agenda. Observance of "Swachhata Pakhwada" is a follow up to engage all Central Government Ministries/Departments in *swachhata* related activities to make the workplace clean and green towards increasing productivity.

I am happy to note that the Department of Pharmaceuticals is entrusted with observing this year's Pakhwada from 1st to 15th September, 2022. I am also happy to see the elaborate Calendar of activities chalked out by the Department, not only for its own employees but also for those working in its attached office, autonomous bodies and PSUs.

I urge all Officers and staff to contribute through their best efforts to achieve fruitful results during the *Swachhata Pakhwada* and inculcate in others the practice of *swachhata* as part of their day-to-day life, in order to achieve our goal of Swachh Bharat!

(Dr. Mansukh Mandaviya)

MESSAGE

I am happy to note that the Department of Pharmaceuticals is observing this year's "Swachhata Pakhwada" from 1st - 15th September, 2022.

This is 7th consecutive year of Governments' programme for observance of "Swachhata Pakhwada", which is inspired by our Hon'ble Prime Minister's vision to engage all Central Government Ministries and Departments in swachhata related activities. As a result, substantial qualitative changes in the working environment of Central Government Employees have taken place and efficiency improved.

I hope that this year too, the Department of Pharmaceuticals will achieve the desired goals through their elaborative activities planned for employees in the department proper as well as in its attached office, autonomous bodies and PSUs.

I wish the programme all success towards our goal of a Swachh Bharat!

(Bhagwanth Khuba)
